### What Is A CarMax® Certified Quality Used Vehicle?

"Lemon" may be the first thing you think about when you hear "used car." You know one of those cars your neighbor got stuck with that spent more time in the shop than in the driveway. That's why we created CarMax. Every CarMax car has been thoroughly inspected and reconditioned so it feels like new. And every car comes with a Limited 30-Day Warranty and a 5-Day Money-Back Guarantee so you can relax. It's peace of mind.
